Dear Kevin and Jonathan,

Matt and I cannot thank you enough for all you did for us during the purchase of our home in Arlington. You both went above and beyond the call of duty, both in terms of helping us find the perfect house for our family, as well as helping us find the appropriate people to help us renovate the house.

You were both so willing to meet contractors, painters, landscapers, etc. for us before we actually moved. This was a huge help, since we were still living in Richmond and had three kids to tote around. Also, your help post-move, including lending us furniture, buying us smoke detectors, hauling trash away (and all the big and little things in-between!), have really made us feel welcome.

This latest transaction was our third transaction with you both, and they just keep getting better and better! Thank you for your repeated help over the past eight years. We look forward to working with you both many, many times in the future.

With warmest regards,

Kathryn and Matt Erskine
