Re: Ref Letter

To Whom It May Concern:

I purchased my home in Arlington in May 2008 with the help and insight from Kevin Love. He was very knowledgeable of the Arlington market, and has many connections, a long history and an excellent reputation. He literally “got into my head” and narrowed the many choices to only a few. Of those few, he helped me find my dream home. At no time was he pushy, or even remotely attempted to steer me into a home that wasn’t perfect for me.

However, it doesn’t end there. His partner, Jonathon Prove did all the leg work and market analysis. He was very proactive and didn’t let a stone unturned. With their expertise, I was able to win the contract in a multiple bid process, even in this market.

I love my home, neighborhood, and the great experience I had with the “Love” team!

Feel free to contact me at any time should you have any questions on these great guys.

Sincerely yours,
